### **Associates give awards to six employees**

The Northwest Federal Employees Association gave awards to six people for their support of the Associates in the past year or longer. At its Dec. 19 awards luncheon in Portland, the group presented framed awards to five BPA employees and one Fish and Wildlife Service employee.

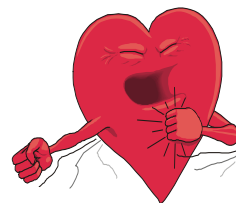

Arlie Musgrave, Associates president, read the awards and presented them to those present. She said the special awards are to honor folks who gave outstanding help to the Associates. They included Senior Vice President Terry Esvelt for his efforts in the past year on behalf of the Associates programs, including a new employee event. Jack Odgaard of communications received an award for his editorials about the Associates over the years and his help in publicizing the group's many efforts.

Three BPA managers or supervisors were cited for their support. Musgrave said much of the work by for the Associates wouldn't be possible without the strong support shown by some supervisors and managers for their employees who volunteer. Awards went to Larry Sims of Information Systems and Debra Coleman and Lloyd Hill of Engineering and Technical Services.

Also receiving an award for his supervisory support was Paul Chang of the U.S. Fish and Wildlife Service. Chang is Deputy Assistant Director for Regional Law Enforcement.
